

We are seeking moulage "victims" for an Active Shooter Training course on **Monday 7/25 & Tuesday 7/26**.

The Erie County Division of EMS, Specialized Medical Assistance Response Team (Special Operations), and the Erie County Sheriff have developed an intense active shooter training course for EMS and Law Enforcement personnel.

To facilitate a realistic scenario, volunteers are needed as "victims". Each victim will be given a detailed patient profile (scenario, injuries, and vital signs) and moulaged (use of theatrical make-up and fake wounds used for training purposes). As this is an active shooter training, most of the moulage will include gunshot wounds and bleeding.

Volunteers are needed

Monday July 25 in Lancaster 2:00--8:00 pm

Tuesday July 26 in West Seneca 9:00 am--2:00 pm OR 12:00--8:00 pm

Volunteers may sign up for either day, or both! Due to the nature of this exercise, High School, College, and adult (parents) volunteers are preferred. Please be aware that it takes time to "moulage" victims, so you may be there a while before the actual drill starts.

Students and Scouts will receive a letter of participation that can be utilized for community service hours or Emergency Preparedness Drill requirements (Boy Scouts).

This is a great opportunity for high school/college students to earn community service hours!

Please SHARE!

To sign up:

Email Tracy.FricanoChalmers@erie.gov with your cell phone # and email address, or send a private message on Facebook with that same information: <http://www.facebook.com/ecdoh>

We will be using Pokemon incense burners to attract rare Pokemon all through the day!
